The same can be used as meeting point of criminals, pickup joints for girls indulging in immoral activities whereby bad name is earned to the locality. Initially it was only one or two establishments which started with this business and over a period of years the numbers have increased of such Dance Bars considerably. This has brought in competition amongst themselves whereby the Managements have employed various marketing strategies to attract customers. One of the primary strategy is by deploying agents/touts at various destinations in Calangute and nearby areas. These touts are paid hefty commission per customer which they arrange and sent to these Dance Bars. The touts goes to every nook and corner to market these Dance Bars to get more and more customers, the services provided at the Dance Bars are told in exaggerated manner. Some tourist fall prey and get carried away. Whereas some make a adverse note of the same. As such some customers and locals are irked on getting to know about the activities which takes place in the said Dance Bars. The local people from the Calangute feels that the above establishments are bringing bad name and fame to the Village of Calangute as the concerned owners/operators had employed girls/ladies as a dancer/waiters who serve liquor to the customers, they even dance with them. The customers are allowed to dance individually with a girl on payment of money. The girl allow customers to touch their bodily parts, which is normal circumstances is not allowed or welcomed. As every odd vehicle coming to the village with male persons ask for these Dance Bars and the tourist looks at every

normal girl as that they are available for having fun. As the Dance Bar activities is earning bad names to the Calangute and Goa and it was getting a bad name as a destination for sex tourism. The locals as well as public representatives had raised their voices to stop such establishments, however the owners continued with their businesses claiming that nothing illegal and immoral is taking place in their establishments. Some of the owners of such Dance Bars even Managed to obtain "Stay" by approaching the Appellate Authorities on the orders issued for closure by local Panchayat. As the Dance Bars continued to function and no sign were foreseen of these establishments being shut down by the concerned authorities, the local MLA of Calangute Constituency on 21-02-2015 led the mob to such Dance Bars and got demolished fully/partly the following below named establishments which they were felling that these are the establishments which are involved in the business of prostitution.

1. Christies Cafe, Sautawado, Baga, Calangute.
2. Agni Bar and Restaurant, Sautawado, Baga, Calangute.
3. Norms Club, Sautawado, Baga, Calangute and
4. Mehfil Bar and Restaurant, Umtawado, Calangute, Bardez-Goa.

After above incident of 21-02-2015 all the establishments operating as Dance Bars have stopped their operations and the local Calangute people are happy about the same. Constant Police watch is maintained and they are not allowed to operate. It is further submitted that the owners of the Dance Bars operating in the Calangute area are noticed getting regrouped and are in the process to restart their business. They have been taking meetings among themselves and are exploring various strategies to restart the Dance Bar business. It is submitted that the locals and public representatives are agitated with the Dance Bar business and if these Dance Bars are re-opened then there is every possibilities that the people of Calangute may agitate and take law into their hands which may lead to a major law & order situation. Whereby destruction to public property and loss to human life cannot be ruled out. The various cases stand registered against their owners/employees and other persons for carrying out immoral activities and under other various laws as these places are frequented by people having criminal back grounds. Now, therefore being satisfied with the reports given by the Sub-Divisional Police Officers and Police Inspector Calangute Police Station, possible clashes between the two groups which may result into

obstruction, injury to any of the person, danger to the human life, health, safety and disturbance to the public tranquility, riot and affray, I, Pundalik Khorjuekar, Dy.
